SWIMMING CLASS FOR WOMEN & GIRLS IN FLOOD PRONE AREAS

COMMUNICATION ACTIVITIES

Livelihoods support

WHAT CAN WE DO IN NDC

- Consultation process at all levels: women's participation in consultations process at all levels
- Providing gender expertise
- Communication/awareness raising on gender issues in climate change to grass-roots levels & advocate local authorities
- Involving various groups of women in different stages of NDCs implementation
- Challenges: Gender experts lack of climate change expertise → more dialogues between G & CC experts
